I appreciate @RepThomasMassie voting NO

What an irresponsible way to make decisions by rushing our leaders into a financial decision without the proper amount of time to even read the bill or change it.

Who voted yes?

This is what bullying looks like.

Bullying stores into becoming gun free zones where Americans can not defend themselves, even though we have the right to do so is not gun safety.

It's destroying gun safety where moms like me can't protect our families.

Advocating for gun rights is gun safety.

A good guy with a gun stops a bad guy a gun.

She won't tell GA6 constituents, her donors, or supporters her REAL opinion.

Because I encouraged them to vote present, along w/ others.

McConnell tried to rush the #GreenNewDeal straight to the floor without a hearing.

The real question we should be asking: Why does the Senate GOP refuse to hold any major hearings on climate change?

The real answer to that would be bc climate change is a lie. The real reason democrats voted present is bc they refused to vote yes to your idiotic #GreenNewDeal disaster. Voting present says, "we were here and still didn't vote yes bc socialism sucks."

I support ...
* Securing the border
* Building the wall
* Funding our border patrol
* Fixing immigration system to reward those who follow law
* Secure communities
*** OPPOSE taxpayer-funded health plans for illegals
My Democrat opponent Lucy McBath is the complete opposite.

She wants wide open borders for anyone to come in (even if we don't know who they are), taxpayer-funded health plans for illegals, and doesn't want to build one inch of wall.

The difference between myself and her couldn't be more clear.

My Dem opponent Lucy McBath is trying to ride the fence on impeachment, playing games with voters in our district just like she did when she said raising the min wage to $15/hr would kill jobs / small biz, walked out in the HELP Committee, then voted to crush small biz in House.

She votes the Socialist Squad -- AOC, Omar, and Tlaib -- almost 100% of the time.

If her votes became law, our job-creating district would get crushed.

She's a Democrat job killer ...

The majority of voters in Georgia's 6th CD OPPOSE the Pelosi / Schiff impeachment witch hunt sham. Why? Because they know Democrats have been trying to impeach President Trump since the moment he beat Hillary Clinton on election night 2016. #gapol

Democrats know they can't risk Trump on the ballot -- and winning -- in November 2020, so they're doing whatever they can alogside their accomplices in the Fake News media, to take him out now.

You're saying what, now? You think a majority of #GA06 voters are opposed to #Impeachment?

How exactly did you come up with this claim?

I OPPOSE this scheme to give DC more power.

The more government has gotten involved, the higher prices have gotten for Americans.

We need less government, not more. More choices, less DC bureaucrats.

So-called "Medicare for All" would send taxes through the roof and result in a federal government takeover of health care in America.

It would also:

* Eliminate your private health plan
* Reduce access to doctors
* Ration health care

Tom Hice was a godly man, family man, business man, and a humble, gentle man. A giant among men.

Lowering health care prices requires less government intervention and MORE competition.

Government is the problem with health care ... the more they get involved, the more the prices go up.

Great news!!

No longer.
The left wants lawlessness, to dismantle ICE, now no police.

This is what the great "leadership" of Gov Andrew Cuomo, Mayor DeBlasio, and Cryin Chuck Schumer has brought to New York. Then they seem confused as to why people would be fleeing the state in droves.

We need less government involvement in health care, more choices, more access to doctors, more competition, and more price transparency.

We will get none of that with a total government takeover of health care.

In Georgia's 6th CD, I hear from scores of people every single day, none of which are in favor of a long, drawn out impeachment witch hunt.

They want:

* A strong economy / jobs
* Lower health care costs / more access to doctors / more competition and choice in plans

Press Release
Contact: isaiah@Greene2020.com

Alpharetta, Georgia – On hearing the news that State Senator Brandon Beach has dropped out of the Georgia 6th District Republican Primary Race, I would like to thank Brandon for his willingness to serve.

His campaign theme was "Be Bold." As voters are finding out, I am that bold candidate.

I'm a suburban mother of three, wife, business owner, job creator, Georgia native and Christian conservative who is the only candidate that can defeat Lucy McBath in 2020.

The Greene for Congress campaign is gaining massive conservative grassroots support across the district as each day passes as we implement our battle plan to take back Georgia's 6th.

Karen Handel cannot beat Lucy McBath, and she proved that to all of us by losing the Republican seat we held for 40 years.

Our district is an economic powerhouse in Georgia. It deserves a Representative in Congress who will vote for low taxes, job creation, secure communities, border security, work to lower the cost of health care and increase access to doctors and treatments for our population.

Lucy McBath votes with the Socialist Squad almost 100% of the time.

The result of her votes would increase taxes (she wants to repeal the Trump Tax Cuts) on ALL 6th District residents, result in a government takeover of health care in America ("Medicare for All"), increase energy costs / kill jobs ("Green New Deal" and Mandatory $15 minimum wage hike), and make our communities less safe ($0 to secure our borders).

Georgia 6th is my home. It's where I've raised my children, where we have run our businesses, and the place that I am from.

Home is where the heart is, and my heart is in Georgia 6th.

I am the only Republican in this race who has supported President Trump from day one. Republicans cannot take the 6th District back with a candidate who is a proven loser and

Over the last few months, my campaign has spoken with tens of thousands of Republican voters at the door, in the mail, on social media, and face to face. We are bringing in voters and volunteers to our campaign one door, one voter at a time.

They want a Republican candidate who isn't a career politician. They want a Republican candidate who won't campaign on one thing and then do another. They want a Republican candidate who will stand with President Trump against radical left-wing attacks, not one who is ashamed to do so.

I am that conservative Republican candidate.

Career politician Karen Handel cannot beat Lucy McBath, and she proved that to all of us by losing the Republican seat we held for 40 years.

As a life-long Georgia resident and political outsider – wife, suburban mother of three, businesswoman, job creator – I am the Republican candidate the Democrats and McBath fear the most.

I live and work here in the 6th. I know first-hand the issues families in our district want handled in DC that aren't being addressed by Lucy McBath.

We need price transparency from medical providers and insurers so that health care consumers (all of us) can see the prices we are paying for health care. By doing so, consumers will be able to comparison price, thus driving prices down. We need more competition in the health care industry, not less.

McBath and the Democrats want no competition: a total government takeover of health care, which will lead to massive tax hikes, rationing of care, and less access to doctors and cutting-edge medical procedures.

Voters in our district want low taxes, a vibrant economic and jobs environment, health care security, safe and top-notch schools, and a secure border.

Lucy McBath has done none of these things for the residents of Georgia's 6th Congressional District -- she's spent most of her time on Pelosi's Impeachment Sham (voted for it TWICE) rather than fighting for our district.

Lucy McBath votes with the Socialist Squad almost 100% of the time.

Our district is an economic powerhouse in Georgia.

It deserves a Representative in Congress who will fight for low taxes, job creation, secure communities, border security, work to lower the cost of health care and increase access to doctors and treatments for our population.

I'm calling on all Republicans in the district who are tired of career politicians saying one thing and doing another, to join our growing grassroots force, help us win the Republican Primary on May 19th, then take back the 6th in the November 2020 General Election.

– Marjorie Greene, Republican Candidate, Georgia's 6th CD

Alpharetta, Georgia – After seeing last night's news of her campaign suspension, I'd like to thank Nicole Rodden for her willingness to serve the residents of Georgia's 6th Congressional District.

When I launched my campaign a few months back, our goal was straightforward:

Give Republicans in Georgia's 6th Congressional District a conservative fighter to get behind who will take back our district by defeating Lucy McBath next November.

Over the last few months, my campaign has spoken with tens of thousands of Republican voters at the door, in the mail, on social media, and face to face. We are bringing in voters and volunteers to our campaign one door, one voter at a time.

1. McBath has voted TWICE for Trump Witch Hunt Impeachment: she does whatever she is told to do by leadership.

2. Votes with the Socialist Squad almost 100% of the time

3. Lied to voters about voting against job and small biz crushing "minimum wage", then voted for it. #gapol

As a businesswoman who is used to cutting deals and saving money at a conference table, I'm uniquely suited to take the health care issue by the horns and beat Lucy McBath in Georgia 6th.

You can feel it on the ground across the district ... grassroots momentum is growing for my campaign.

Voters are tired of Never Trump career politicians like my opponent Karen Handel who says one thing on the campaign trail, then does another when voters aren't watching. #gapol

Lots of monkey business was going on at the FBI in their efforts to spy on @realDonaldTrump's campaign.

Let's hope and pray these traitors are discovered and held accountable for their actions!

This is what you hear on the ground all over the 6th CD. Never Trump career politician Karen Handel will say or do anything to get elected. She ran away from Trump in 18 -- and advised other Rs to do so as well -- leading them to slaughter. Vote Marjorie Greene May 19! #gapol

John Frisbie
We all want Karen Handel to just get out of the way. She blew her opportunity last cycle. She does not have the vision, the energy or the appreciation of how great Trump is. Go sit and watch TV, Karen . . You are not what the 6th needs.

Lucy McBath has voted for Pelosi's waste of time impeach twice. Health care costs, secure border, jobs / economy ... she votes with Socialist Squad almost 100% of the time. CD6 deserves better than gov takeover of health care, wide open borders, and econ crushing votes. #gapol

Why do we put up with it?

One reason I'm running for Congress is border security. We must:

* Secure the border
* Build wall
* Fully fund border patrol
* Defund sanctuary cities

Time and time again, Congress and the career politicians FAIL the American people.We overwhelmingly want a secure border.

Yet Pelosi (formerly Paul Ryan) and the gang, give billions of our taxpayer dollars to other countries for "border security" #gapol

America's San Fran nightmare, Nancy Pelsoi, admits herself they've been trying to impeach Pres Trump for years. She's wasting our time and money on this witch hunt. Dems must pay a price in 20: four more years or Trump, kicked out of Congress, nowhere close to Senate. #gapol

REMINDER: This #shamimpeachment has failed to meet the Chairman's own standards.

He said there must be impeachable offenses. There's none.
Is it worth putting the country through the trauma of an impeachment? It's not.
Are opposition voters saying we have to do it? They're not.

Very excited to be the conservative Republican candidate in Georgia's 14th Congressional District. We can't let the 14th fall into the hands of a tax hiking career politician or Never Trump activist who will serve the politicians and DC lobbyists. #gapol

Make no mistake, Rep. Van Drew is a hard left liberal, but this scenario really highlights the hypocrisy of the Fake News media. If this was a Repub switching to Dem DURING Impeachment, it would be wall to wall on all Fake News channels 24 hrs a day.

What drew me to him was the fact that he is a political outsider. He didn't spend his career in government, but rather in the private sector creating jobs. #gapol

I was proud to make the Haralson County Republican Party Christmas Dinner one of my first campaign stops!

We will win Georgia's 14th CD one door, one voter at a time. We focus our time campaigning to the people, not the lobbyists or career politicians! #GaPol #SASS

Christmas Dinner. She is running for Congress in 14 district! I was taken away by her story and positions on the issues. I want to wish her the best in her congressional run and thank her for making Haralson County one of her first campaign stops!

The grassroots conservative Republican support has been tremendous across the 14th!

We campaign to the people, not the politicians or big gov lobbyists.

We will win one door, one voter at a time! #gapol

Constitution and advance policies that promote liberty, safety, and prosperity for all Americans." -- https://www.housefreedomfund.com/

The House Freedom Fund said this about Marjorie:

"Marjorie Greene is a full-spectrum conservative who is not afraid to speak out for our principles and values. If she's elected, she will be a powerful voice for hardworking American families in Congress."

Marjorie had this to say in response to her endorsement from the House Freedom Fund:

"I'm honored to receive the House Freedom Fund endorsement. I look forward to their strong conservative support across the 14th Congressional District as we head into the May 19th Republican Primary. As a Christian conservative wife, mother of three, businesswoman and job creator, I'm proud to say I'm 100% Pro-America, Pro-Trump, Pro-Life, and Pro-Second Amendment.

2. Grassroots conservatives are flocking to my campaign in Georgia's 14th CD. We will win on May 19 one voter, one door at a time! #gapol

I'm a political outsider and problem solver. I'm not a career politician and never want to be. With a Congress that is continually failing the people, my sole purpose for running is to represent the people of the 14th CD, not the career politicians and bureaucrats.

I encourage all conservative Republicans in the 14th, and those who love our country and want to Keep America Great, to get behind my campaign and help me take the fight for the people of NW Georgia to Washington, DC. I would also be honored to become the first female elected Republican Representative from the 14th and NW Georgia in Congress."

The House Freedom Fund is endorsed by House Freedom Caucus members like Congressmen Jim Jordan and Mark Meadows.

Jim Jordan: "The House Freedom Fund helps grassroots candidates get the financial support they need to compete with establishment candidates."

Mark Meadows: "Change in Washington means changing the people we send there and HFF is making that happen by sending principled, conservative outsiders to D.C."

1. This week the radical, left-wing Democrats led by Nadler and Pelosi will likely vote to Impeach President Trump.

We cannot allow this to stand. First, we must tell our Georgia Senators Perdue and Isakson (likely Loeffler) that we expect a 100% acquittal in the Senate. #gapol

Big thanks to Mike Morton and the Rome Tea Party for having me at lunch today. Voters are tired of big government Repubs running for office and going along to get along. I'm a political outsider and problem solver. We will win one door, one voter at a time! #gapol #sass

Good news. Obamacare has been a diaster for health care. My family premium went from $800/ month to $2,400/month when first passed.

We need more competition, price transparency, and less government involvement. Reject socialized medicine! #gapol

1. I'm not running for office to be a career politician. I already have a career. I'm checking in on one of our work sites today. This country needs more political outsiders and problem solvers. People like me who can finish a project on time / under budget. #gapol

As far as I'm concerned, the Second Amendment protects all of our Constituional rights.

3. I will NEVER vote for "Red Flag Gun Confiscation," Ammo or Mag Bans, or "Semi-Auto Bans" like we see introduced right here in Georgia, SB 281. No gun control ... EVER.

As far as I'm concerned, the Second Amendment protects all of our Constituional rights.

Thank you! I'll NEVER vote for Kemp again. I'll work harder to have him deposed/replaced than I did to get him elected. Too, it's weird, his new appt. is sending texts to my phone. I guess she thinks it's comical. Plz. don't do what he's done when you get elected.

Grassroots supports rolling in non stop to our campaign. Voters know the difference between career politicians and me. I'm a political outsider, problem solver, and job creator. Bureaucrats and DC swamp monsters will be exposed. #gapol

2. This endorsement coupled with my endorsement from the House Freedom Fund makes clear I am the conservative champion the 14th CD needs fighting for NW Georgia in Congress. #gapol

"I am excited to receive the endorsement of the Right Women PAC as well as the endorsement from the House Freedom Fund. Grassroots conservative Republicans across the 14th Congressional District are flocking to my 100% Pro-America, Pro-Trump, Pro-Life, and Pro-Second Amendment campaign, and we're fired up to receive this additional support from two organizations that are seeking to help get more conservatives into the Freedom Caucus who will fight for our country, our Constitution, and defend President Trump.

Over the last three and a half weeks as we traveled across all the counties in the 14th and met with hundreds of voters, it's clear that I will be the most tenacious fighter for our shared conservative values in Congress.

I would also be honored to be the first-ever woman elected to Congress from Georgia's 14th Congressional District.

My campaign's plan for victory is simple: we campaign directly to the people, one door, one voter at a time. And we'll be blanketing all the counties over the next 4.5 months mobilizing tens of thousands of conservative Republicans to the polls for my campaign."

3. One of the fun things about CrossFit is that anyone can do it and the workouts are universally scalable for all ages and all levels.

My love for business and helping people led me to open my own CrossFit gym in 2013.

Conservative Republican support continues pouring in across the 14th CD ... women especially coming in strong. We win campaigning to the people, not the politicians. #gapol

Grassroots supports rolling in non stop to our campaign. Voters know the difference between career politicians and me. I'm a political outsider, problem solver, and job creator. Bureaucrats and DC swamp monsters will be exposed. #gapol

What about children living under terrorist rule, socialism, & communism?
Your Green New Deal at $93T would destroy oil & coal industries, destroy jobs, crush our economy, and my kids future.
My kids don't want your decisions.
Your not fit to make decisions.

> **Alexandria Ocasio-Cortez** @AOC
> War is a class conflict, too. The rich and powerful who open war escape the consequences of their decisions. It's not their children sent into the jaws of violence.
>
> It is often the vulnerable, the poor, & working people -who had little to no say in

As a mother of two daughters, one of which is a D1 college athlete, I'm appalled when I see biological males competing in girls' sports.

This is such a no brainer, and the radical, left-wing Dems want to force it down our throats. Not on my watch. #gapol

1. My campaign is excited to announce the endorsement of Right Women PAC, an organization led by Debbie Meadows, wife of Freedom Caucus member Mark Meadows, dedicated to electing "bold, unflinching, and solidly conservative women." #gapol

Press Release
Contact: isaiah@Greene2020.com

The Marjorie Greene for Congress campaign in Georgia's 14th Congressional District is excited to announce that Marjorie Greene has just been endorsed by the Right Women PAC, an organization dedicated to electing "bold, unflinching and solidly conservative women" to Congress. Right Women PAC dedicates its efforts to "electing legitimately conservative women to the US House: Strong fearless woman who support President Trump."

Right Women PAC is led by Debbie Meadows, wife of Freedom Caucus member, Representative Mark Meadows of North Carolina. Right Women brings targeted support to primary elections to send solidly conservative women to be the voice for conservative women of America, and stand up against the "socialist squad who are hijacking our Congress and our nation."

In their endorsement, Right Women PAC had this to say about Marjorie Greene:

"Running for Congress in the seat where incumbent Congressman Tom Graves is retiring, Marjorie is a perfect fit for this strongly Republican district. She and her husband, Perry, have three children and own Taylor Commercial Construction company. Marjorie also started and sold a top CrossFit gym. As a conservative businesswoman, Marjorie is not afraid to be a powerful voice for our values."

The Right Women PAC makes sure candidates possess these strong principles before endorsing:

Pro-Constitution / Pro-Life / Supportive of President Trump / Pro-America
Pro-Border Security and Common-Sense Immigration Laws / Pro-Religious Freedom
Pro-Second Amendment / Supportive of the Freedom Caucus / Pro-Israel
Pro-limited, open and accountable government / Pro-free market and pro-growth policies

@AOC @IlhanMN & Democrats outraged over @realDonaldTrump actions to protect Americans are the very same radical Dems who want to pass Socialist policies in the US.
All Americans should be alarmed by AOC and Omar aligning themselves with this type of Gov.

Why are you outraged that a terrorist is dead who is responsible for killing over 600 Americans, planned the US embassy attack in Iraq, and was planning more attacks on American troops?
@POTUS did the right thing.

> **Ilhan Omar** @IlhanMN
> We are outraged the president would assassinate a foreign official, possibly setting off another war without Congressional authorization and has zero plan to deal with the consequences.

Over the last three and a half weeks as we traveled across all the counties in the 14th and met with hundreds of voters, it's clear that I will be the most tenacious fighter for our shared conservative values in Congress.

I would also be honored to be the first-ever woman elected to Congress from Georgia's 14th Congressional District.

My campaign's plan for victory is simple: we campaign directly to the people, one door, one voter at a time. And we'll be blanketing all the counties over the next 4.5 months mobilizing tens of thousands of conservative Republicans to the polls for my campaign."

Again Omar which country do you represent?

USA or Iran?

Iran sponsors terrorism that kills Americans and innocent people.
Iran wants nuclear weapons and chants death to America.

Medical shortages and death in Iran is Iran's fault not @realDonaldTrump

> **Ilhan Omar** @IlhanMN
> This makes no sense. Sanctions are economic warfare.
>
> They have already caused medical shortages and countless deaths in Iran.

🙏 for the conservative Republican support pouring in across Georgia's 14th CD ... voters are tired of career politicians, tax hikers, DC bureaucrats, and go along to get along types who care about the politicians more than the people. We are people over politicians. #gapol

1. Visiting recently with members of the Whitfield County Republican Party in Dalton!

We campaigned today all over Rome and Floyd County ... conservative Republicans are all in.

They want a fighter and political outsider, not a career politician, tax hiker, #gapol

Walking door to door in Dallas and across Paulding County today.

The 14th CD is a massive district making up 12 counties. Our ground game is growing and getting stronger by the day.

Voters tired of career pols, DC bureaucrats, and establishment telling them what to do. #gapol

As a successful business owner who has created many jobs, I really like these stats! 🙌

Ronna McDaniel @GOPChairwoman
2.1 million jobs were created in 2019 – and 1.5 million of them went to women.

That's the first time EVER that more than 50% of jobs went to women!

Thank you to everyone who came out tonight ... if we want our country back we need to focus on people not politicians.

No more career politicians, Never Trumpers, or establishment swamp creatures.

I respect @realDonaldTrump so much for standing up for America when everyone else only stood for themselves.
Thank you President Trump!
I want to do the very same.
This is why I'm running for Congress.

@SenWarren wants 3 regulations that will destroy our economy:
2028-all new buildings/houses - zero carbon footprint
2030-all trucks and cars - zero carbon footprint
2035-all electricity production - zero carbon footprint
That means NO oil or coal.
#idiot

Red Nation Rising @RedNationRising
Warren said she's willing to ban drilling, mining, new buildings, new houses in the name of "environmental justice" 🤬

And she's coming for our trucks and electricity too...

There is nothing reproductive about killing a baby in the womb.
Only legal immigrants have rights, not people who break our laws and illegally enter our country.
Paying more taxes is not climate justice.
These women are an embarrassment.

Women's March @womensmarch
We rose up today to demand our elected officials step up and join us in building a just, bold vision for our country where climate justice, reproductive freedom, and immigrants' rights are not up for debate. And it was powerful.

1. When I was in 11th grade in a gun free school zone, one of my school mates brought guns to school and took our school hostage.
I know that same fear, of being completely unprotected while a mentally unstable student wants to unleash their rage on us..

David Hogg text VOTE to 954-954 @davidhogg111

VA is in a state of emergency because white supremacists and nazi's are using their 2nd amendment rights to shutdown the 1st amendment rights of students, veterans, and clergy.

Throw the impeachment trial out!

It's a scam
It's a lie
It's an embarrassment
It's a waste of time
It's another waste of hard earned tax payer dollars

The Impeachment Sham is pathetic and so are the Democrats shoving this down America's throat.

House Republicans @HouseGOP
As House Democrats kick off another day of their impeachment sham, here's a reminder that after two weeks of public testimony...

❌ They don't have the evidence

2. Today I pray over all the people at #MarchForLife for legislators to hear their cries to end abortion.

I pray for all women who have had abortions to know they are not judged and to help end it. For they too have been the victim of abortion.

3. I pray for courage in the hearts of young women who are considering abortion as "an easy way out" to see clearly and choose life for their unborn child.

I pray for God to send them help on their journey ahead in the beautiful path of motherhood.

I am grateful he is boldly attending @March_for_Life today.

Once elected I will co-sponsor the Life at Conception Act, and work you end the greatest evil of my lifetime.

1. Over 62 million people have been killed from abortion in the US since Roe vs Wade.

Abortion is the most deceptive lie that has ever been sold to women.

Motherhood will NEVER hold you back.

Being a mother is the GREATEST GIFT of a woman's lifetime.

Tom Homan nailed it.
@AOC is dangerous not only for NY, but the entire nation.
"tipping off" illegal communities.
Who exactly do you serve?
America is fed up with AOC and the Anti-American Squad.
Just wait until I'm elected.
So done.

I'm UNAPOLOGETICALLY AMERICAN!
@AOC you're ANTI-AMERICAN and a communist just like @BernieSanders
Committed to breaking up @ICEgov and @CBP who removed 138K illegal criminals in 2018 means you want to give aid and comfort to enemies.
That's called treason.

I am a huge supporter of all law enforcement not only in my community, but nationwide.
As a business owner, and a Mom of three kids, I am very grateful to our police for keeping our community safe.
I want to keep LEO's safe and respected.

Fifty-seven percent approve the job the president is doing on the economy — the highest since he took office, according to @cbsnewspoll. Most who describe the condition of the economy as good say the president is at least partially responsible for that, including most Democrats.

This is obviously satire but I wonder if you know that. As a Congressional candidate what role do you play in ensuring your constituents know the difference between truth and parody?

Do you have any responsibility to tweet honestly?

I'm a proud conservative Republican woman ready to go on offense and take the fight to the Socialist Squad in DC. Too many Republicans are weak and play defense.

The radical Socialist Democrats want to pass the Anti-American New Way Forward Act to allow criminal felons to stay in America.
They broke in our country in the first place.
Then committed crimes.
Harboring them safely, giving them aid/comfort is treason.

Matt is a criminal. And I don't just mean a theoretical "he stormed a SCIF and should be prosecuted" criminal, although that is true. I mean a convicted felon. And you're super proud to share a photo with him.

This does not speak highly of your integrity.

President Trump's budget sets the right priorities:

-Funds the wall
-Supports our military
-Cuts wasteful foreign aid
-Enacts work requirements for welfare recipients

Most importantly, it sets us on a path to a balanced budget.

Wrong again! You used to be a fiscal conservative. What happened to you? We must preserve social security Medicare and Medicaid from those who would impoverish our seniors and further impoverish the poor!

Terry Alverson @TSmoovAlvey · 14h
Always hear this, Janet. Been on social security for several years now. Have had a couple of raises but never had anything reduced. Medicare covering more than when I started. The only people who claim this use it as a scare tactic. Try something else. #neverworks

We have to keep up the attack on the DC Swamp.

If we hold back now, they'll turn our country into a Venezuelan-style socialist wreck.

Thinking of you today @TXVET4Justice

No American should lose their child at the hands or by the crime of an illegal.

Especially a Veteran.

Chris Odette served our country, why did our country fail him by not securing our border to protect our kids?

I'm appalled by this ... it's not right.

As a mother of three children, two daughters, one of which is a division one college athlete, I believe we should not allow biological males to compete in women's sports!

This is a no brainer ... OPPOSE!

NEVER vote for abortion or taxpayer money funding abortion

As a mother of three children, I can say there's nothing more precious than having children, watching them grow up, and helping to raise them into young adults.

Terrific news from the 9th Circuit Court of Appeals!

Under no circumstances should taxpayer dollars be used to promote or offer abortion.

Thank you to President @realDonaldTrump and his administration for protecting the innocent lives of the unborn.

Yet Warren cares nothing about US citizens and tax payers who could be infected by people illegally entering the country while infected with the coronavirus.

There is nothing racist about building a wall with tax payer $$ for border security.

WARREN: "'I'm going to be introducing a plan tomorrow to take every dime that the President is now spending on his racist wall at our southern border and divert it to work on the coronavirus."

This court ruling is great news for the U.S. & the rule of law.

Many cities are in open contempt of U.S. law by refusing to cooperate w/ immigration enforcement laws.

I applaud President @realDonaldTrump for holding these sanctuary cities accountable.

You'll be hearing about March 15th over the next several days. It's when FISA expires. 13 days.

Congress should not renew FISA authority under any circumstances without major changes first to protect Americans from abuse. Period.

No changes = no reauthorization.

As Congresswoman for NW Georgia, I will NEVER vote to fund abortion or Planned Parenthood.

I will sponsor the Life at Conception.

And I will fight for women.

I will fight to be the most pro-life Member of Congress starting day one.

Mark Meadows is smart, loyal, and a true patriot. He's a good man and my best friend!

Couldn't have picked anyone better for the job.

I am pleased to announce that Congressman Mark Meadows will become White House Chief of Staff. I have long known and worked with Mark, and the relationship is a very good one....

Nobody smart and a true patriot would work for Trump.

But it says a lot about your North Korean mindset that "loyal" would even make your list. We look forward to having a President who values competence more than loyalty.
